

## **Gregory Hoag, Sacred Geometry Expert, Author, and Tool Maker**

Gregory Hoag specializes in teaching and supporting individuals who are interested in achieving extraordinary goals through the use of sacred geometry.

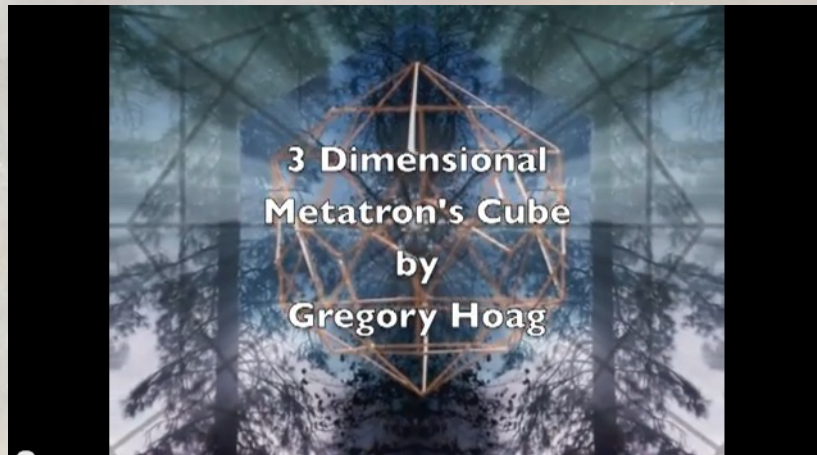

Gregory Hoag, scientist, bestselling author and artist, has researched Sacred Geometry and consciousness for over 40 years. Following a major spiritual awakening (Kundalini) in 1982, he started creating energetic tools through Metaforms, that provide transformative experiences to foster spiritual evolution and the expansion of Source. His land in the Colorado Rockies has numerous energy vortexes and strategically placed geometric forms for the purpose of activating the planetary grids and energizing some of the tools produced by Metaforms.

He is recognized as one of the leading experts on Sacred Geometric technologies for improving health, raising consciousness, reducing stress, manifesting intent and clearing emotional and electromagnetic interference. Gregory and his wife, Gail and his two daughters live in Lyons, Colorado.
